

ShareSTAFF helps businesses grow and people thrive by delivering staffing solutions that connect the right talent with the right opportunity—all guided by a people-first approach. For over a decade, we have brought together the right people, processes, and expertise to serve businesses and governmental agencies, applying more than 20 years of specialized knowledge in contract management, recruiting, compliance, and staffing to solve critical workforce challenges.

CORE COMPETENCIES

We specialize in designing and delivering premium services for businesses and organizations in the following areas:

- **End-to-Staffing Solutions.** Temporary, temp-to-hire, and permanent placements, as well as short/long-term project-based staffing
- **Strategic and Operational Workforce Solutions.** In addition to comprehensive recruitment and staffing, we specialize in government contracting, payroll support, as well as Managed Service Provider (MSP) and Vendor On-Premises (VOP) services.
- **Sectors We Serve.** Industrial, Manufacturing, Construction, Healthcare, Administrative, Financial Services, Sales & Marketing, and Information Technology (IT)
- **Customizations for Billing & Reporting.** We generate client-specific reports and invoices you can count on. By automating the online recruitment, payroll, and invoicing, we provide high-quality document processing, communication, and data recording services.

DIFFERENTIATORS

ShareSTAFF offers expert assistance to streamline your staffing needs. Focus on your existing workload while we secure the hard-to-find talent your team needs.

- **Small Company, Large Impact.** From day one, our resources and attention are dedicated to ensuring your company's goals are understood and achieved.
- **Nationwide Coverage, Local Support.** We provide expert placements across the country and U.S. Territories, leveraging our local resources to make nationwide connections.
- **Industry Expertise + Cutting-Edge Tech = Lasting Outcomes.** We never stop optimizing our processes and services using modern tech solutions. By monitoring industry trends, we stay ahead of the curve to deliver tailored solutions that align with your objectives.
- **Powered by Diversity & Inclusion.** As an Indian Economic Enterprise (IEE), Minority Women-Owned Small Business (MWOBE/WOSB), and Service-Disabled Veteran Owned Small Business (SDVOSB), our staff is experienced and eager to help your company connect with a more equitable workforce and meet DEI spending goals.

PROVEN PERFORMANCE

ShareSTAFF boasts a distinguished record of success in delivering top-tier staffing and workforce solutions to a broad spectrum of government entities and businesses of every scale across various industries. Whether it's managing high-volume staffing needs on-site or seamlessly onboarding strategic permanent hires, our commitment to innovation, efficiency, and reliability has garnered outstanding customer satisfaction scores.
