

For over a decade, ShareSTAFF has brought together the right people, processes, and expertise to deliver strategic staffing solutions for businesses and governmental agencies. Our team applies more than 20 years of specialized knowledge in healthcare contract management, recruiting, compliance, and staffing to solve your critical workforce challenges. Our mission is to **care for all**—working passionately to serve our clients, employees, communities, and each other.

CORE COMPETENCIES

We specialize in designing and delivering premium services for state and federal organizations in the following areas:

- **Staffing Solutions.** Temporary, temp-to-hire, permanent placements, and short/long-term project staffing. Healthcare staffing for Nurses (RN, LPN, and CNA), Nurse Practitioners, Physician Assistants, Advanced Practice Professionals, Behavioral Health Providers, and Health Technicians (Radiology and Laboratory)
- **Specialties.** Hospitals, nursing homes, hospices, correctional facilities, urgent cares, home health agencies, psychiatric hospitals, medical offices, and rural health clinics—as well as Comprehensive Outpatient Rehabilitation Facilities (CORFs), Outpatient Physical Therapy/Outpatient Speech Pathology, and Intermediate Care Facilities for Individuals with Intellectual Disabilities (ICF/IID)
- **Advanced Technology Integration.** We deploy advanced technology platforms that streamline recruitment, compliance, reporting, credentialing, and placement processes. Our web-based software manages client orders and tracks candidate progress through sophisticated data analysis, while our proprietary database of 300,000+ pre-qualified healthcare professionals enables rapid, precise matchmaking between candidates and facilities. Automated systems for recruitment, payroll, and invoicing generate reliable client-specific reports while ensuring seamless document processing, communication, and data management throughout the placement lifecycle.

DIFFERENTIATORS

ShareSTAFF offers expert assistance to streamline your staffing needs. Focus on your existing workload while we secure the hard-to-find talent your team needs.

- **Seasoned Leadership in Healthcare Staffing.** Led by a team with over 100 years of combined healthcare and contract management experience, ShareSTAFF delivers strategic staffing solutions for complex needs across diverse medical environments. Our Six Sigma Certified leadership ensures operational efficiency and quality, while ASA Certification demonstrates our commitment to the highest industry standards.
- **Industry Expertise + Cutting-Edge Tech = Lasting Outcomes.** We never stop optimizing our processes and services using modern tech solutions. By monitoring industry trends, we stay ahead of the curve to deliver tailored solutions that align with your objectives.
- **Strengthening Healthcare Through Diverse Partnerships.** As a certified Indian Small Business Economic Enterprise (ISBEE), Minority Women-Owned Small Business (MWOBE/WOSB), and Service-Disabled Veteran Owned Small Business (SDVOSB), ShareSTAFF helps healthcare partners meet supplier diversity objectives while delivering professionals who reflect and serve diverse patient populations, creating stronger care teams that improve patient satisfaction and clinical outcomes.

PROVEN PERFORMANCE

ShareSTAFF has successfully served diverse businesses and governmental agencies, spanning federal and state contracts, including CDPH, DHHS, HIS, and the VA.
